quynh.yen.vothi@gmail.com

I'm a determined person who is obsessed with my personal goals. I can't sleep well until I achieve them. My greatest strength is my will, and my persistence. I don't use words to define myself, but actions.

Technical Skills

Likes: ruby-on-rails javascript jquery node.js angularjs

Experience

Web Developer Apprenticeship – Career Foundry
ruby-on-rails, javascript, twitter-bootstrap, angularjs

2016 → Current

An Intensive coding bootcamp that transform my coding knowledge and experience. We coded from simple to complicated Ruby on Rails application, using Javascript and bootstrap on the front side.

Education

BS in Computer Science – Northern Arizona University

2016 → 2017
